

Anti Drug Club- Competition Programme

The Anti-Drug Club organized an Essay Competition in both English and Tamil to create awareness among students about the harmful effects of drug abuse and the importance of leading a healthy, drug-free life. The competition was conducted on 24.03.2025 and witnessed enthusiastic participation from nearly 30 students. Participants expressed their thoughts creatively on the social, physical, and psychological impacts of drug addiction, while emphasizing preventive measures and the need for awareness in society. The programme successfully encouraged students to reflect on the issue and strengthened their commitment towards promoting a drug-free campus and community.

The Anti-Drug Club organized a Speech Competition on 27.03.2025 to create awareness among students about the harmful effects of drug abuse. Students actively participated in the event and delivered speeches in both Tamil and English on the theme of anti-drug awareness. The participants confidently expressed their views on the dangers of addiction, the importance of a healthy lifestyle, and the need to build a drug-free society. The programme was informative and inspiring, encouraging students to spread awareness and take a stand against drug abuse.
