

Outdoor Class at the Green Library

Date: 02-12-2025

Venue: Green Library

The **Department of English and Foreign Languages**, Mother Teresa Women's University, organized an **Outdoor Class** at the **Green Library** on **02 December 2025**. The session was designed to provide students with an engaging learning experience by integrating academic instruction with the natural environment of the university campus. The session was conducted for **First and Second Year students** of the department. The class was handled by **Dr. A. Muthu Meena Losini**, who guided the students through interactive discussions, reading activities, and reflective exercises related to literary studies. The open-air setting enabled active participation and thoughtful engagement among the students. The **Outdoor Class at the Green Library** proved to be a meaningful and enriching academic initiative. It successfully combined literary learning with environmental awareness, reinforcing the university's commitment to **holistic and student-centered education**.
