

## Together for a Drug-Free Society

**Report:** Anti-drug and NSS of MTWU jointly organized drug free society rally on 12.08.2024 at Bus Stand, Kodaikanal. Together for a Drug-Free Society” is a collective pledge that emphasizes the shared responsibility of students and society in preventing drug abuse and promoting a healthy, safe, and productive environment. This initiative encourages individuals to make a conscious commitment to stay away from harmful substances and to support others in doing the same. The pledge highlights the importance of awareness, self-discipline, and mutual support in building a strong community free from the dangers of drug addiction. It empowers students to act as role models, spreading positive values and educating peers about the physical, mental, and social consequences of drug use. By standing together, students, educators, and the wider community can create a supportive network that fosters well-being, academic growth, and responsible citizenship. This united effort aims to safeguard the future of youth and contribute to the development of a healthier, drug-free society.
