NIDM/GIDRR/108/IUINDRR- MEMBERSHIP/2021

August 20, 2024

Dear Dr. Kala,

As you are aware, the National Institute of Disaster Management (NIDM) is a premier Central Institute constituted under the Disaster Management Act of 2005, with the mandate for capacity building, training, research, and policy support in the field of Disaster Management. NIDM also took initiative in compliance with Agenda-6 of the PM's 10 Point Agenda for establishing India Universities & Institutions Network for Disaster Risk Reduction (IUINDRR-NIDM), for building partnerships with Universities and Institutions which can play a major role in shifting the narratives for disaster risk reduction for the future by its education, knowledge, research, debates, dialogue, and policy advocacy.

2. In this regard, NIDM is delighted to welcome your Institute as a valued member of IUINDRR-NIDM. Your **Institute's membership ID** is **IUINREG0341**, which will be essential for future communication and collaboration.

3. As an esteemed member, NIDM encourages your institution to contribute to this initiative by leveraging academic knowledge and expertise to address various disaster-related challenges. **I also urge you to ensure the safety and resilience of your campus by developing a comprehensive Disaster Management (DM) plan that can minimize disruptions to academic schedules and campus operations, ensuring continuity of education and research activities.**

4. Additionally, your university is invited to collaborate with NIDM in areas of training, research, and policy advocacy. **Regular training sessions and DRR drills for students, staff, and faculty can be integrated into your vision and outreach programs to foster a safer community.** A suggestive list of potential areas for collaboration is provided at **Annexure-I**.

5. Proposals for collaborative programmes may be sent at **ed.nidm@nic.in** and **iuindrr.nidm@mha.gov.in**. The modalities of the program may be discussed once agreed in principle. NIDM looks forward to a fruitful partnership aimed at enhancing disaster resilience and mitigating risks for our nation.

Warm regards

Yours sincerely,

(Rajendra Ratnoo)
